		Agree	Disagree
2.1.	The content and/or presentation of the information with which I am involved will promote quality & improvement in practice and will not promote a specific business interest of a commercial nature. Content for this activity, including any presentation of therapeutic options, will be well-balanced, evidence-based and unbiased.		

2.2.	I am not presenting any material which interfere with copyright infringement or if I do so, I have requested and/or obtain permission from the copyright holder(s) to reproduce/copy, from their work, the portions of my presentation that are protected by copyright laws. I acknowledge that the SASP CPD committee will not be held legally responsible for any misrepresentation on my part regarding copyright infringement.		
2.3.	I understand that the SASP CPD committee may need to review my presentation and/or content prior to the activity, and I will provide educational content and resources in advance as requested.		
2.4.	If I am presenting at a live event, I understand that a SASP CPD committee member may be attending the event to ensure that my presentation is educational, and not promotional in nature. Otherwise feedback from attendees may be requested.		
2.5.	If I am discussing specific products or services, I will use generic names to the extent possible. If I need to use trade names, I will use trade names from several companies when available, and not just trade names from a single company.		
2.6.	If I have been trained or utilized by a commercial entity or its agent as speaker for any commercial interest, the promotional aspects of that presentation will not be included in any way with/within the activity.		
2.7.	If I am presenting research funded by a commercial company, the information presented will be based on generally accepted scientific principles and methods and will not promote the commercial interest of the funding company.		
2.8.	The target audience and related target audience have been discussed with me by the organiser/s and I approve.		
2.9.	The prerequisite for the presentation has been discussed with me by the organiser/s and I approve.		
2.10.	I am familiar with the advertisement of the presentation and I approve.		
2.11.	The presentation falls within the current ethos and scope of physiotherapy or best practice guidelines.		

I have carefully read the above information and declare that I am the above-mentioned speaker and have completed this form to the best of my ability.
