

SASP CONGRESS 2018 Exhibitor / Sponsors opportunity

Dear Valued Sponsor / Exhibitor.

The South African Society of Physiotherapy™ (SASP®) is a non-profit organization that has been dedicated to representing South African physiotherapists since 1924. The SASP has a current membership of over 4500 members.

The Society has pleasure in inviting you to be a sponsor / exhibitor at the **SASP Congress 2018, “Improving Physiotherapy Access – Enhancing Wellness”**, to be held at **Saint George’s Hotel and Conference Centre, Doornkloof (Pta)** from the **14 – 16 September 2018**.

The key objectives of the congress are:

- Uplift the standard of physiotherapy through an increased access to knowledge and expertise;
- Platform for local researchers to present their findings / results;
- Stimulate debate, interaction and sharing of professional knowledge within the physiotherapy community;
- Create an opportunity for local physiotherapists to gain knowledge from international expertise in the field of physiotherapy;
- Create business opportunities, co-operation and exchange.

We are confident that the scientific programme will be very informative and stimulating, and thus attract a broad range of people from the physiotherapy world, both nationally and internationally.

This is the ideal opportunity for companies and institutions to showcase and / or introduce their products and services to a specific target audience from all over South Africa and abroad.

We look forward to seeing you at SASP Congress 2018

Warm Regards

Americo Pinheiro
