

## Dr Jeremy Lewis PhD FCSP

Consultant Physiotherapist | Professor of Musculoskeletal Research | Sonographer | Independent Prescriber  
[@JeremyLewisPT](#) [www.LondonShoulderClinic.com](http://www.LondonShoulderClinic.com)

Jeremy Lewis is a Consultant Physiotherapist and Professor of Musculoskeletal Research (University of Hertfordshire, UK, and University of Limerick, Ireland). He was born in New Zealand and trained in Australia. He works in the UK National Health Service as well as working privately in central London. He has been awarded a Fellowship of the Chartered Society of Physiotherapy, and has been acknowledged as an eminent clinician in his profession (UK DoH [Department of Health] National AHP Clinical Expert Database). He assesses and treats patients with complex shoulder problems. Jeremy has also trained as a sonographer and performs ultrasound guided shoulder injections as part of the rehabilitation process if required and appropriate. He has also completed an MSc (Musculoskeletal Physiotherapy), and Postgraduate Diplomas in Sports Physiotherapy, and in Biomechanics, as well as MSc modules in injection therapy for soft tissues and joints. He also has a Postgraduate Certificate in Diagnostic Imaging (Ultrasound) (University of Leeds, UK). He has also qualified as an Independent (non-medical) Prescriber.

Jeremy has taught shoulder workshops internationally in over 35 countries. He has also been invited to present keynote and invited lectures at many international conferences. His main areas of research interest are rotator cuff related shoulder pain, frozen shoulder, injection therapy, exercise therapy and lateral elbow tendinopathy. In addition to his own research he supervises PhD and MSc students. Jeremy is an associate editor for the *Journal of Orthopaedic and Sports Physical Therapy* (JOSPT). He was a co-editor and author for *Grieve's Modern Musculoskeletal Physiotherapy* (4<sup>th</sup> ed).
