Criteria for granting Ex Gratia on SASP membership fees:
Applications for Ex-Gratia closes on the 7th November 2019. if you want to pay via debit order.

Ex Gratia is usually granted for members who do not have a choice in their circumstances and is mostly granted to physiotherapists with a disabling disease or physical disability [e.g. sight or hearing challenged].
Only solo practitioners in the PPO members’ category will be considered for Ex Gratia.

Where the income of a prospective member is influenced by a choice they have made, granting Ex Gratia becomes more difficult, and is then considered only in exceptional circumstances.

Please note that the following will not be considered for Ex Gratia applications:

- Pregnancy
- Further studies (including APDL level 2 courses)
- Being the only ‘bread winner’

All Ex Gratia applications must be sent to president@saphysio.co.za (please cc in opsmanager@saphysio.co.za) for consideration.

We will be sending you updates and information until renewal closes on the 31st December 2019.

Registration for new members is open all year round.

The SASP will endeavour to open access with viewing rights to the website for all the paid-up registered members from 1 January 2020. However, given the time of year, anticipated registration volumes and the payment and membership verification process some delays may be experienced.
